*In some instances, patent applicability is determined by product options selected by our customers. Certain patents apply to a product only when the product option covered by the patent is selected by the customer.

** Product ID Codes are prefix or suffix codes found on product labels affixed to Hydro-Gear products. Certain products (such as the Electric Deck Motor) are identified by P/N (Part Number) rather than ID Code.

*** Patent Applicability for pump PY-BYAA-H31X-XLXX and PY-BYBA-H31X-XLXX is that of a PW pump due to use of a PW end cap.
