TC-3400™

COMMERCIAL TRACTION CONTROLLER

SPECIFICATIONS	
SYSTEM VOLTAGE (UP TO)	88 VDC
SMARTEC MOBILE APPS COMPATIBLE	YES
CONTINUOUS CURRENT TO MOTOR	22 (A rms)
INTERMITTENT CURRENT TO MOTOR	72 (A rms)
PEAK CURRENT TO MOTOR	126 (A rms)
IP RATING ON SEALED UNIT	IP66k
IP RATING ON CONNECTOR	IP67

Specifications subject to change without notice

- **Customize control profiles to meet your specific application needs**
- **Built in protections help extend component life**
- **Snap Connector for easy, error proof installation**
- **MowNet® compatible (CAN) for simple system communication and integration**
- **Aluminum heat sink**
- **Hall-Effect Sensor Inputs**
- **Temperature Sensor Input**
- **Field updatable**
- **Made in Indianapolis, Indiana**
